

REMARKS/ARGUMENTS

In the specification, the title has been changed to more accurately reflect the subject matter of the claims currently pending in the present case.

Claims 34 to 56 remain in this application. Claims 1 to 33 have been canceled without prejudice to subsequent revival. Claims 34 to 56 have been added and include no new matter. New claims 34 to 56 are submitted for the purpose of advancing the case toward allowance and differences between the new claims and canceled claims should not be viewed as acquiescence to any of the Examiner's rejections.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Kyle Yesland', is positioned above the typed name and address.
